PATENTING & REVIEW

Being duly sworn, I, Arent H. Kits van Heyningen
depose and say:that I am a citizen of the United States of America
residing at Newport, Rhode Island
that I verily believe thatI am the original, first and sole inventor of the improvement in
301 DUAL CHANNEL DELAY SENSING CIRCUIT

described and claimed in the attached specification;

that I do not know and do not believe that this invention was ever known
or used in the United States before my invention thereof, or patented or
described in any printed publication in any country before my invention
thereof or more than one year prior to this application, or in public use or
on sale in the United States for more than one year prior to this application;that this invention has not been patented or made the subject of an
inventor's certificate in any country foreign to the United States on an
application filed by me or my legal representatives or assigns more than
twelve months before this application;that I acknowledge my duty to disclose information of which I am aware
which is material to the examination of this application;that no application for patent or inventor's certificate on this
invention has been filed by me or my legal representatives or assigns in
any country foreign to the United States; andI hereby appoint Joseph D. Pannone, Registration No. 19,044, Milton D.
Bartlett, Registration No. 16,589, Herbert W. Arnold, Registration
No. 19,725, David M. Warren, Registration No. 25,520 and John R. Inge,
Registration No. 26,916, my attorneys or agents with full power of
substitution and revocation, to prosecute this application and to transact
all business in the Patent and Trademark Office connected therewith, and
request that all correspondence be directed to:501
